#### LASTEST NEWS – VISITORS FROM USA AND CANADA ENTRY REQUIREMENTS

We are delighted to inform that the French Government has included the USA and Canada among the green list countries (low risk of transmission).

Visitors from these countries, vaccinated or not, are all welcome to St Barts following the sanitary travel requirements below:

#### **Vaccinated visitors must provide** (not required for children of age 11 and under):

- ✓ An Official proof of complete vaccination status
- ✓ A negative RT-PCR Covid-19 test performed within three days prior to boarding. Alternatively, an antigen test within 48 hours prior to departure is also accepted.

Once on St Barts, no quarantine nor self-isolation will be necessary. No Covid-19 tests will be required during the stay, except the usual one required according to the return destination, if needed.

#### **Non vaccinated travelers must provide:**

- ✓ A negative RT-PCR Covid-19 test performed within three days prior to boarding. Alternatively, an antigen test within 48 hours prior to departure is also accepted. (No Covid-19 test is required for children of age 11 and under).
- ✓ a sworn statement indicating that, once on St Barts, they will self-isolate during 7 days and perform a Covid-19 test on day 7<sup>th</sup>.

After two successful vaccination campaigns, the vast majority of our island's citizens are now vaccinated.

Restaurants, boutiques, nautical and leisure activities, as well as all services are being offered as usual. Hotels and villas are open.
